PUBLIC NOTICE

In continuation with the Public Notice of even no. dated 22.08.2025, the suspension of booking of mail to the USA has been reviewed. In view of the inability of carriers to transport U.S.-bound mail, and undefined regulatory mechanisms, it has now been decided to completely suspend booking of all categories of mail, including letters/documents and gifts value upto 100 USD, destined to the USA.

The Department is closely monitoring the situation and is making every effort to restore services at the earliest. In case any item that has already been booked and could not be dispatched, postage refund can be claimed.
